How to use the multilingual DOEER learning

The **DOEER course on equality-based practice in tourism** is delivered to Higher Education students and all stakeholders in the project languages, on a dedicated open access MOOC.

Overview of the DOEER equality course

Lesson 1: Equality, human rights and democracy in the digital transformation

Lesson 2: Understanding and promoting equality practices

Lesson 3: Identifying and tackling inequalities

Lesson 4: Equality-based practices

Lesson 5: Social impact of equality-based practices

Lesson 6: Economic impact of equality-based practices

Lesson 7: Equality-based practices for business professionals

Lesson 8: Added-values of equality-based practices

in education and business

How to use the course

The Course is freely accessible online by any learner by mobile, tablet, laptop, or personal computer.

The only requirement is the learner's registration and free enrolment to the selected language version of the course.

The Course can be used in self-learning methodology, with no time restriction. Learners are recommended to go through all the proposed materials and exercises.

There is a test at the end of each Lesson, with no limits of attempts. The completion of the course will be achieved once all tests will be successfully passed. Once completed the course, the learners will receive the Course Completion Certificate.

Attendees' evaluation of the training event in Spain

The staff peer training event took place in the period 22-25 October in Spain, organized by the partner EUSA with support of the Chamber of Commerce of Seville and attended by a total of 20 professionals. In addition to the contribution of Spanish experts presenting their research and work in the field of inclusive tourism, the participants shared ideas and detailed discussions on the created **DOEER course on equality-based practice in tourism**. At the end of the event, all participants provided their feedback on the completed activity.

Some of the participants' comments on the completed activity:

"The speakers were very clear in their explanations and dedicated a lot of time for every lesson"

"Absolutely excellent"

"The DOEER course on equality-based practices in tourism was covered in a relevant and functional way by the partners involved in the project. It is a tool to be used effectively and validly"

Participants took-home from the event:

"Sharing, Relationships, Discussion on fundamental topics"

"Interaction and knowledge with European partners on an interesting and useful topic; active participation and discussion on the topics; the treatment of the topic with innovative approaches and tools"

"Satisfaction of common work on the course, comprehensive view of the DOEER course going to be delivered, and ideas on cooperation opportunities with other European projects in similar areas"

The pilot learning for the university students from all project countries

The project team scheduled in the first quarter of 2025 and is organizing the pilot learning for HE students. The programme includes introductory workshops in all project countries organized by the partner university for totally 400 of their students and a learning activity organized in person in Slovenia to which 30 HE students will participate. The piloting will be supported by dedicated guidelines on common objectives and recommendations on how using all project outcomes.
